2022 Operator Toolkit

What's Inside:

- ✓ Social Media Campaign Instructions
- ✓ Hashtag Instructions
- ✓ The NAMA Show 2022 Drawing Rules
- ✓ High-Res Logo for Print and Display

Overview

On Thursday, March 3, 2022, NAMA will celebrate the fourth annual National Vending Day by highlighting the extraordinary possibilities of vending's future and invites convenience services operators to help "imagine what vending can do."

"Imagine what vending can do" Social Media Campaign

NAMA encourages convenience services operators to post pictures to social media sharing how they are doing vending in a different way. Show off the great machines you have in the field, highlight a unique feature that brings a novel experience to customers, or share a cool idea of what you think the future will bring for your company and the industry.

Examples to highlight:

- A nurse's station machine vending scrubs
- Machines with fresh food or beverage crowd pleasers
- Office equipment rental machines (i.e., keyboards, mice, etc.)
- ANYTHING that uses vending in a unique or fun way!

Post to Facebook, Instagram, LinkedIn or Twitter using the hashtag **#vendingday** and tag the appropriate NAMA account (see below).

The NAMA Show 2022 #vendingday Drawing

NAMA operator members who take part in the social media campaign will be automatically enrolled in a drawing. Each post is an entry in the drawing **for one full-access pass** to [The NAMA Show 2022](#), happening April 6-8 in Chicago, **plus hotel accommodations for one night** during the Show

***** Only one winner will be chosen and awarded one (1) free registration and hotel accommodation for one (1) night during the Show. *****

Must be an operator to win.

Social Media Campaign 1-2-3's

- 1 Choose your pic(s) and/or use the logo.
- 2 Tell us what's going on. Use the theme if you can!
- 3 Post across social media. Use #vendingday and tag NAMA on each platform!
