

# NAMA Fly-In **ONE VOICE** Advocacy Summit

Washington, DC · July 18-19, 2022

## MONDAY, July 18

12:00 PM

**Welcome Lunch** – All attendees are invited to join for lunch and help kick off the 2022 NAMA Fly-In and Advocacy Summit.

1:00 – 5:00 PM

**Advocacy Summit Panel Discussions and Presentations** – Hear from members of the Administration and important policymakers on important issues impacting the convenience services industry.

### ***Get Back to Work - Driving Americans Back to the Workplace***

Hear from experts on how policy makers are working to drive Americans back downtown and why the convenience services industry is best positioned to help make it happen.

### ***Food Deserts - How Convenience Services Can Nourish the Underserved***

Food insecurity gained national attention during the pandemic. In light, the Biden Administration recently announced the White House Conference on Hunger, Nutrition, and Health, and across the country state legislatures are looking for ways to best combat the challenge in both rural and urban America. This panel will discuss the issue and ways the convenience services industry can help by utilizing its unique last foot distribution network.

### ***Keeping it Cool – The HFC Transition: Where we are, where we're going?***

NAMA has been on the front lines pushing for a business tenable timeframe and working to ensure the industry has access to a viable and sustainable alternative such as R-290. Join the U.S. Department of Energy and the skilled engineers from Oak Ridge National Laboratories to learn about the Administration's energy efficiency goals and the NAMA Foundation's Cooperative Research and Development Agreement with DOE currently taking place at Oak Ridge National Laboratories in Oak Ridge, Tennessee.

### ***Paving the Way – Opportunities in the Infrastructure Investment and Jobs Act***

Last summer, Congress passed a massive \$1.8 trillion Infrastructure spending package, delivering financial incentives that operators can take advantage of. Hear from experts on what is available to the convenience services industry.
